Kat KT-150 All Mesh Electric Drumset

MSRP: \$549.99 (Prices subject to change)

Affordably-priced and packed with features like mesh heads, the KT-150 also comes with a kick tower and a rack that stands up with the best of them. It includes four dual-zone pads that feature high-quality mesh heads that allow for amazing depth and nuance. The snare's 8" mesh head surface is big enough that it won't make you feel like you're playing on a cocktail kit. The cymbals are Dual-zone and include a single-Zone open/close hi-hat, a crash and ride, all standard with choke. The kick tower, with included kick pedal, provides for a realistic playing experience. The rack is quality built with extra bracing that will stand up to some heavy-duty sessions. A hi-hat control pedal comes standard. The drum module sampling covers most music styles and features 15 Factory Kits and 160 unique sounds.

Shure SM58 Vocal Microphone

MSRP: \$125.35 (Prices subject to change)

The legendary Shure SM58 vocal microphone is designed for professional vocal use in live performance, sound reinforcement, and studio recording. Its tailored vocal response for sound is a world standard for singing or speech. A highly effective, built-in spherical filter minimizes wind and breath "pop" noise. A unidirectional (cardioid) pickup pattern isolates the main sound source while minimizing unwanted background noise.

NOTE: This is the industry stand mic, reach out to us for more options and brands that may better suit a younger vocalist.
